Dear Saint Clair Avenue Property Owner:

The **Saint Clair Avenue** project in your neighborhood is moving towards completion. Upon completion of the project, the public space will be restored and will benefit the community for many years.

A Public Hearing before the City Council for the approval of the assessments for the project has been scheduled for October 7, 2015. You will receive a separate mailing informing you of this meeting.

A neighborhood meeting to answer questions about the assessment rates and construction project will be held at:

6:00 – 7:00 p.m., Tuesday, September 22, 2015
Edgumbe Recreation Center
320 Griggs Street South
Saint Paul, MN 55105

Public Works' Division of Street Design and Construction and the Office of Financial Services' Real Estate Section will have staff on hand to answer your questions.

If you have any construction related questions prior to the meeting, you may call me at 651-266-6155. If you have any billing or assessment questions, please call 651-266-8858.

Thank you,
